

CURRICULUM VITAE

Long Sui, M.D. Ph.D.

**Professor of Gynecology Subspecialty:
Gynecological Oncology Hysteroscopy**

Appointments and Positions

Director of Medical Center for Cervical Diseases,
Director of Hysteroscopy Center, Obstetrics and Gynecology Hospital, Fudan University, China

Member at Large of IFCPC
Member of Training and Education Committee, IFCPC
Member of Continuous Teaching Committee in ISSVD

Vice President of Chinese Society for Colposcopy and Cervical Pathology (CSCCP)

Vice Chairman, Committee of Cervical Neoplasia and Colposcopy (CCNC), Chinese Obstetricians and Gynecologists Association (COGA)

Vice chairman, Hysteroscopy Group, Women and Children Minimally Invasive Professional Committee, China Maternal and Child Healthcare Association

Deputy leader of hysteroscopy group, gynecological endoscopy and minimally invasive surgery committee of Chinese Obstetricians and Gynecologists Association (COGA)

Vice Chairman, professional committee for Diagnosis and Treatment of Intrauterine Diseases of China Maternal and Child Healthcare Association

Vice Chairman, Cervical Cancer Prevention and Control Committee, China Maternal and Child Health Research Association

Standing member of the expert committee for the promotion of gynecologic endoscopy and minimally invasive surgical technology, National Health Commission

Vice chairman, Reproductive Infection and Microecological Branch, China Healthcare International Exchange Promotion Association

Chairman, Colposcopy and Cervical Pathology Committee, Shanghai Maternal and Child Health Association

Council Member of Shanghai Laser Society, Director of Professional Committee of Obstetrics and Gynecology in Shanghai Laser Society

Council Member of Shanghai Biomedical Engineering Society, Former Director of Professional Committee of Obstetrics and Gynaecology in Shanghai Biomedical Engineering

Member of Specialists Group of Shanghai Quality Control Center for Laser Therapy

Standing Committee Member of Society of Sexual Medicine, China Sexology Association

Standing Committee Member of Diagnosis and Treatment of Reproductive Tract Diseases Branch of China Healthy Birth Science Association

Member of International Society of Gynecologic Endoscopy

Education

09/1982-07/1987 Second Military Medical University, China M.D., 1987.
Clinical Medicine

09/1993-06/1997 Second Military Medical University, Master, 1997.
Shanghai, China Gynecologic Endocrinology

09/2005-05/2009 Obstetrics & Gynecology Hospital, Fudan University, China. Ph.D., 2009
Shanghai, China Gynecologic Oncology

Training

05/2005 Advanced International Colposcopy Training Course
Whittington Hospital, general and teaching hospital of the UCL Medical
School, London, UK

06/2011-09/2011 Senior Visiting Scholar
BIDMC, Harvard Medical School, Boston, USA

09/2014-11/2014 Senior Visiting Scholar
Städtisches Klinikum Luneburg, Deutschland

Present Appointments:

10/2011-Present Professor & Director
Medical Center of Diagnostics & Treat for Cervical Diseases
Center for diagnosis and treatment of uterine and fallopian tube diseases

Obstetrics & Gynecology Hospital,Fudan University

- 12/2003-09/2011 Senior Associate Professor & Director
Medical Center of Diagnosis & Treatment for Cervical Diseases
Obstetrics & Gynecology Hospital,Fudan University
- 04/2003-11/2003 Attending Physician & Senior Lecturer
Medical Center of Diagnostics & Treat for Cervical Diseases
Obstetrics & Gynecology Hospital,Fudan University

Previous Appointments:

- 12/1992-03/2003 Attending Physician and Senior Lecturer
Department of Obstetrics & Gynecology
Shanghai Changzheng Hospital
Second Military Medical University
- 09/1987-11/1992 Resident
Department of Obstetrics & Gynecology
Shanghai Changzheng Hospital
Second Military Medical University
Shanghai, China

Academic Awards And Distinctions:

- 2022 Preaching and Teaching Awards, Chinese Cervical Cancer Prevention and Control Project(CPCP)
- 2021 First Prize Winner,Construction and Application of Integrated Diagnosis and Treatment System for Female Genital Tract and Perianal Lesions.China Maternal and Child Health Science and Technology Award,Third Prize for Scientific and Technological Achievement
- 2021 Preaching and Teaching Awards, Chinese Cervical Cancer Prevention and Control Project(CPCP)
- 2020 Preaching and Teaching Awards, Chinese Cervical Cancer Prevention and Control Project(CPCP)
- 2019 Preaching and Teaching Awards, Chinese Cervical Cancer Prevention and Control Project(CPCP)
- 2014 Top professional and technical personnel,
Shanghai Huangpu District People's Government
- 2010 The First Award of Teaching Achievements of Fudan University
- 2008 The 5th Award of Endoscopic Medical Tech-Science for Outstanding Achievement by Evaluation Committee of Award of Medical Tech-Science
- 2001 The Third Prize of Medical Achievement Award,by the General Logistics Department of PLA
- 1999 The Third Prize of Science and Technology Achievement Award, by the General Logistics Department of PLA

Service in Editorial Board and Reviewer

Journal of Lower Genital Tract Disease(JLGTD)
Chinese Journal of Clinical Obstetrics and Gynecology(Standing Editorial Board Member)
Chinese Journal of Clinical Infectious Diseases(Standing Editorial Board Member)
Chinese Journal of Obstetrics and Gynecology
Chinese Journal of Infection and Chemotherapy(Standing Editorial Board Member)
Journal of Practical Obstet & Gynecol

Journal of International Obstetrics & Gynecology(Standing Editorial Board Member)
Tumor
Advances in Modern Obstetrics & Gynecology
Chinese Journal of Microinvasive Surgery(Standing Editorial Board Member)
Journal of Medicine and Philosophy
Journal of Rare and Uncommon Diseases
Journal of Medical Virology(Reviewer)
Journal of Minimally Invasive Gynecology(Reviewer)
Journal of General Virology(Reviewer)
International Journal of Gynecology and Obstetrics(Reviewer)
International Journal of Gynecologic Cancer(Reviewer)
Gynecologic Minimally Invasive Therapy(Reviewer)
Human Reproduction(Reviewer)
Journal of Viral Immunology(Reviewer)
Reproductive and Developmental Medicine(Reviewer)
BioMed Research International(Reviewer)

Main Research Interests

- Conservative treatment of early endometrial cancer.
- The basic and clinical research of HPV infection in female reproductive tract and its associated disease.
- The therapeutic and prophylactic Study on Intrauterine Adhesion.
- The mechanism of Vulvar White Lesion and Refractory Pruritus.
- Pathogenic analysis and drug resistance mechanism research on female lower genital tract infection

Research Grants in charge

1. Natural Science Foundation of Shanghai Municipal Science and Technology Committee:Study on the mechanism of 25-HC inhibiting HPV infection by regulating the lipid metabolism of cervical epithelial cells and affecting cytoskeletal rearrangement (Grant No.22ZR1408800) Principal Investigator
2. Shanghai Science and Technology Commission Scientific Research Project:HPV-DNA typing integrated testing and E7 sequencing for the diagnosis and risk assessment of cervical disease (Grant No.:18411963600)(2018.9.30-2021.9.30). Principal Investigator
3. Major Program of Shanghai Municipal Science and Technology Committee (Grant No. 16411950200): Establishment of early diagnosis and treatment system for cervical cancer (2016-7-1 to 2019-9-30). Principal Investigator
4. Shanghai Municipal Hospital of appropriate technology projects (Grant No. SHDC12014238): Clinical study and promotion of bipolar radiofrequency endometrial ablation for menorrhagia(June 2014 - May 2017). Principal Investigator

5. Medical guidance Program of Shanghai Science and Technology Committee (Grant No. 134119a0900): New strategy research Hysteroscopic diagnosis and treatment of intrauterine adhesions. Principal Investigator
6. National Natural Science Foundation of China (Grant No. 81272877): The role of TLRs/NO pathway in local immunoregulation of cervical high-risk HPV infection(2013-1-1 to 2013-12-31). Principal Investigator
7. Production-study-research-medicine cooperation Project of Shanghai Science and Technology Committee (Grant No. 11DZ1921509): Clinical study on anti-adhesion of sodium hyaluronate series products (2011-11-30 to 2014-09-30) . Principal Investigator for subproject
8. Medical guidance Program of Shanghai Science and Technology Committee (Grant No. 10411961000): Photodynamic therapy for HPV-induced cervical intraepithelial neoplasia: a clinical and basic study (2010-1-1 to 2013-3-31) . Principal Investigator

Patents

1. Zhang Lu,Sui Long.AI risk prediction system for cervical precancerous lesions.Computer software copyright registration certificate. No.:2021SR1973463
2. Sui Long, Wang Shiqiong, Liu Qingyou. Anoscope with smoke exhaust function. Patent No.: ZL 2016 2 0170192.5(Proclaimed.201608)
3. Sui Long, Wang Shiqiong, Liu Qingyou. High resolution Anoscope. Patent No.: ZL 2015 2 0937222.6 (Proclaimed.201606)
4. Sui Long.Disposable vaginal drug injection device.Patent No.:ZL 2017 2. 1552423.X(Proclaimed.201902)
5. Sui Long. A skin biopsy drill. Patent No.ZL2018 2 1988174.3(Proclaimed.202001)(Authorization notice No.CN209932821 U)

Publications

1. New Advances in Gynecological Infection. Editor in Chief.2022,published by Chinese Medical Association.
2. Diagnostic and Operative Hysteroscopy. Mary Conner & Justin Clark. Principal Translator,2022,published by Beijing Science and Technology Publishing Co.,Ltd.
3. Practical Colposcopy. (1st Edition) . Co-Editors in chief,March 2019,published by RenMin Health Publishing House, Beijing
4. Questions and answers for prevention of cervical cancer:Vaccine,Screening and Treatment (1st Edition) Editor, May 2018, published by RenMin Health Publishing House, Beijing
5. Lower Genital Tract Precancer:Diagnosis and Treatment(3rd Edition) Deputy Chief Translator,Oct.2018, published by Tianjin science and technology translation and publishing co.LTD
6. Cervical Cancer Screening and Clinical Management:Cytology,Histology,Colposcopy
a) Co-Editors in chief,2017,published by Beijing Science and Technology Press
7. Modern colposcopy textbook & Atlas(3rd Edition) .Translator,May 2016,published by Peking University Medical Press
8. Practical Obstetrics & Gynecology

- a) Editor, 2013, published by RenMin Health Publishing House, Beijing.
9. Newly Edited Therapeutics for Sterility
 - a) Editor, 2011, published by Fudan University Publishing House, Shanghai.
 10. Infectious Diseases of Female Genital Tract, 5E by Richard L. Sweet, Ronald S. Gibbs
Translated Book. One of Translators. 2010, published by RenMin Health Publishing House, Beijing.
 11. Complex Treatment of Cervical Cancer
Editor, 2009, published by Jiangsu Science & Technology Publishing Company, Jiangsu.
 12. The conservative treatment of abnormal uterine bleeding
Sui Long, editor in chief, 2002, published by FuDan University Publishing House, Shanghai.
 13. Abnormal Leucorrhea
Sui Long, editor in chief, 2002, published by Shanghai Science & Technology Publishing Company, Shanghai.
 14. Praxis Collection of Obstetrics & Gynecology
Editor, 2005, People's Military Surgeon Publishing House, Beijing.
 15. Collection of Prime and Essential Points for Entrance examination of Medical Graduate Student
Editor, 2005, published by FuDan University Publishing House, Shanghai.
 16. Te Linde's Operative Gynecology
Editor in translation board, 2002, published by ShanDong Science & Technology Publishing Company, Jinan
 17. Novak's Gynecology
Editor in translation board, 2003, published by ShanDong Science & Technology Publishing Company, Jinan
 18. Neuropeptide – Basic and Clinical
Editor, 2000, published by Sec Mil Med Univ Publishing House, Shanghai.
 19. Clinical Nursing
Editor, 2000, published by Sec Mil Med Univ Publishing House, Shanghai.
 20. Lecture materials on New Advances in Obstet Gynecol
Editor, 1997, published by Sec Mil Med Univ Publishing House, Shanghai.
